

Customer Journey Map - Sulekha E Learn

Needs	I want to learn to speak english well.		I want 2 way communication, I need personal attention especially for speaking.	
Motivations	It will improve my confidence. It is a life skill. Would be useful when I travel. I want to crack my interview. I want to travel abroad and seek jobs there.		Having a regular class will allow me to regularly engage with speaking english.	
Motivators Advisors Enablers	Parents Friends Youtube videos There is a lockdown, I have free time. I should use this time	I found this on google search My friend suggested this online platform I saw an ad.		
Barriers	You learn English by speaking regularly. But, I don't find places and people with whom I can do that regularly.		Money is a barrier. It is expensive. Timings are also a barrier.	The demo class timings did not match with my time.
